Hey guys...checking in for a friend here...who has the FASTEST n/a stock motored (bolt ons ok) 2005-2009 GT? I know Bullits in the 10's with the blower but who has the fastest on motor? My friend runs 12.5's, another 12.7's, and a bunch in the 13's. Is there anyone down here running faster than a 12.5?
