Nino's time was what n/a? We are trying to go 11.9 on my buddies 06 gt n/a on stock motor. We have some mods lined up and with the heat we are having i'm thinking 12.2-12.3 is in reach...maybe on a real cold day it can go 11.9-12.0...we will see...wanna be the first ones in the valley to go 11's n/a on stock motor...
